

Vibe

Design: Carlo Colombo

Description

Double bed with provision for integrated nightstands. The headboard, with structure in MDF and poplar plywood is composed of two padded panels fixed together in polyurethane foam in different densities, with removable covers and a co-extruded aluminum profile covered in leather. The bed frame in poplar plywood with polyurethane foam covered in polyester fibers features removable covers and is equipped with height-adjustable bed base supports. Feet in painted metal. It is possible to integrate one or two nightstands with round top in marble or canaletto walnut and painted metal structure. Available in American Queen and American King Size. Made in Italy.
