Description

Modular sofa with structure in multi-layer and solid beech wood, with elastic straps. Seat in expanded flexible multi-density polyurethane and memory foam, flexible and thermo sensitive material. Armrests and backrests in high-density expanded polyurethane, covered with fibers. The padding is in goose feathers with inserts in expanded flexible multi-density polyurethane. Completely removable covers available in fabrics or leathers as per collection or customer's own material. Feet in matt beech wood.

The backrest is available in two versions:
- with goose-down backrest cushion with central insert in expanded multi-density polyurethane, covered in fabric or leather with leather piping;
- with a leather panel with reclining mechanism that supports the goose-down backrest cushion.

Made in Italy.
