

Otello

Design: Stefano Spessotto

Description

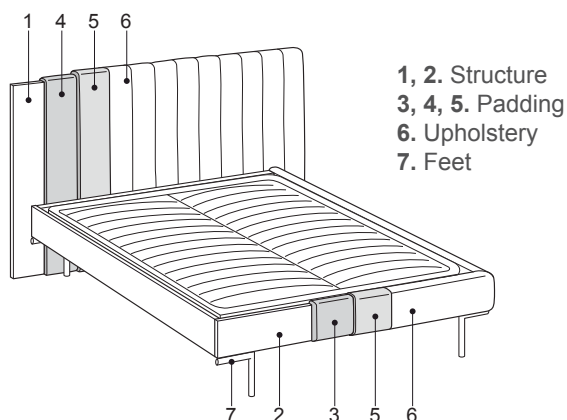

Double bed with headboard structure in pinewood, special panels and base in wooden agglomeration E1 class. Padded headboard panels with removable covers in fabric. All headboard panels must be hanged on the wall. Wooden panels available with or without touch sensor ignition lamp. Panels with socket and USB charging port are equipped with integrated transformer. Padded base with removable covers in fabric or non-removable in eco-leather and leather. Three bases of different heights are available, with or without storage mechanism. For bases without mechanism, it is possible to adjust the height for the bed base that supports the mattress. Additional, optional feet are also available. Made in Italy.
