

Loman

Design: Stefano Spessotto & Lorella Agnoletto

Description

Modular sofa with supporting structure in pinewood of various thicknesses. Remaining parts in E1 class particleboard panels. Details in hardboard or cellulose wood-based panels. Backrest in hard or cellulose wooden fiber panels. The seat is supported by propylene and latex elastic belts. Padded structure, seat and backrest cushions with removable covers in fabric. Metal back support covered with fabric, eco-leather or removable leather. Two versions available: with a full-length back cushion (Standard) and with scattered cushions in different sizes (Soft). Includes a metal bookcase in one end. Additional backrest cushions and side table available on demand. Made in Italy.
