

Olos

Design: Mauro Lipparini

Description

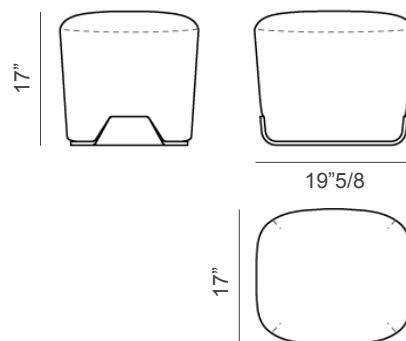

Ottoman with structure in wood and seat padded in sintered polystyrene foam and shaped polyurethane foam; lining in bonded velveteen - polyester fiber.

The base is available in shaped wood veneer and the removable fireproof cover is offered in fabric, leather or eco-leather.

It stands out both on account of its generous and rounded padding, and also because it is slightly raised off the ground thanks to the curved wooden base. Made in Italy.

Dimensions

19"5/8W x 17"D x 17"H
