

## Noor

*Design: Dondoli and Pocci*

### Description

Lounge chair with structure in curved multilyer wood. Backrest and seat with polyurethane foam padding in various densities, lining made of velveteen bonded with polyester fiber. The cover (non-removable) is offered in leather, eco-leather or fabric and the base, with triangular shaped metal profile, is available in a wide range of painted metal finishes.

As the other elements of the same collection, the seat comes close to the structure of the backrest without touching it, giving the overall impression of “floating”. The design of the backrest, slightly curved at the sides, gives it a welcoming and comfortable appeal. Made in Italy.
