Design: Stefano Spessotto & Lorella Agnoletto

Description

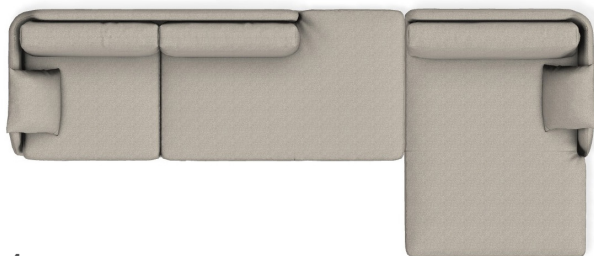

Sectional with structure in solid wood panels, plywood and laminated solid fir bearing various thicknesses, supported by a shaped steel frame. The back is made of multilayered wood or E1 class wood particleboard panels. The seat is supported by propylene and latex elastic belts. Padded seat and backrest cushions, with removable covers in fabric, eco-leather and leather. Padded structure with removable covers in fabric and non-removable in eco-leather and leather. A mix version with external structure in leather and fabric interior is also available. Standard wooden feet. Matching footrest available on demand. As an accessory, a lacquered metal top for the footrests is also available. Made in Italy.
