

Neuilly

Design: Fabrice Berrux

Description

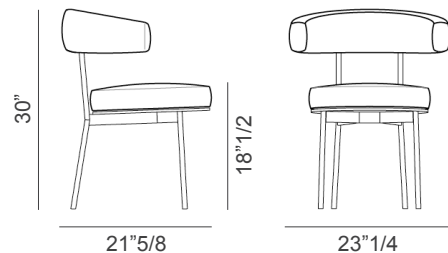

Armchair with metal structure padded with cold-foamed polyurethane backrest and non-deformable high-density foam seat. The non-removable cover is offered in fabric, leather or eco-leather.

The slender tubular metal structure supports the volumes of the seat and the backrest/armrest which, with its semi-circular shape, welcomes you in a comfortable embrace. Made in Italy.

Dimensions

23"1/4W x 21"5/8D x 30"H

Seat height: 18"1/2
