

## Image

*Design: Gino Carollo*

### *Description*

Sideboard available in two versions: with plinth base or shaped feet. Image is characterized by an unusual texture that grabs the attention thanks to its moulded glass doors which present an abstract geometric pattern. The doors have an opening system with push-pull mechanism. Available in different combinations. Made in Italy.

#### **Available combinations:**

##### **Combination 1**

- . External structure: Bronze matt lacquered wood
- . Doors: Metallic mirrored bronze printed glass
- . Base: Bronze plus metal

##### **Combination 2**

- . External structure: Lead matt lacquered wood
- . Doors: Metallic mirrored lead printed glass
- . Base: Lead plus metal
