

Must

Design: Giuseppe Viganò

Description

The Must sectional has a load-bearing pine frame with upholstery in leather and fabric combined with Dacron and assembled with a tufted finish, with buttons covered with the same material as the upholstery, or, alternatively, with “Swarovski” crystals. All sofas can have the traditional high armrest or a low version on one or both sides to create pleasant volumes. Bases can be finished in bronze or black powder coating, or chromed in the following finishes: bright light gold; matt Champagne gold; bright chrome; bright black chrome; or matt satined bronze.

Finishes and materials

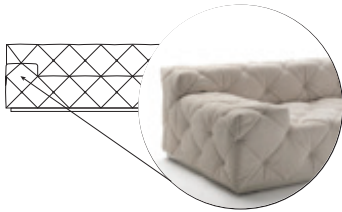

Frame: Wood: pine.

Covers: Leather: C.O.L. and categories 3, 6, 9, 12 or 15. Fabric: C.O.M. and categories D, F, H or I.

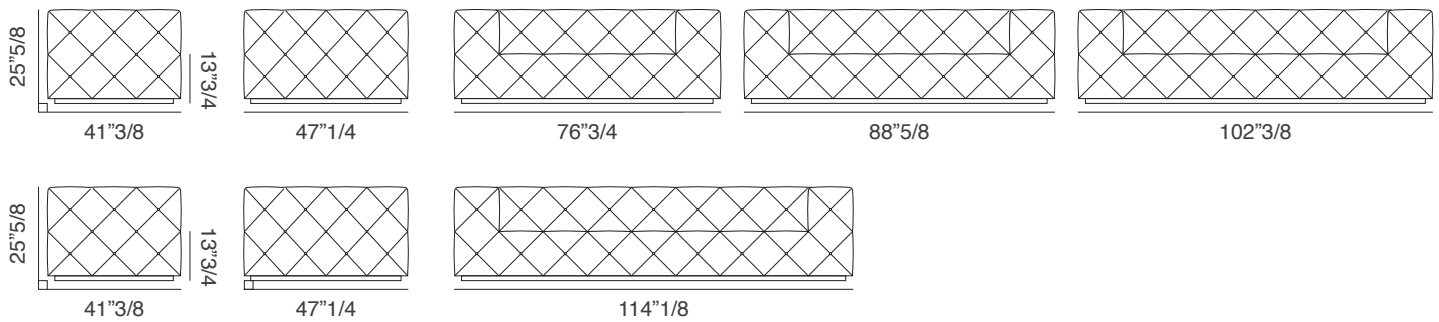

Others: Load-bearing pine structure, covered with extremely high-density polyurethane foam in different thicknesses. Given the special manufacturing process, leather and fabric upholstery are NOT removable.

(For more specifications, please refer to “Finishes & Materials”)
