

Diadema

Design: Romani Saccani Architetti Associati

Description

Ceiling lamp based on a single element, the rod of pure glass. The diffuser offers a sense of movement by using crystal rods of different sizes. Metal parts available in matt bronze or glossy chrome finishes. Made in Italy.

Light source: R7s 2 x 120W.
Dimmable with a "phase cut" system (DIM 1).

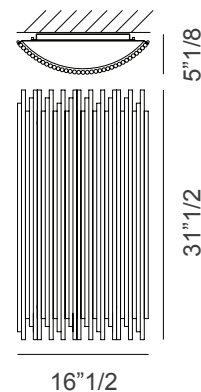

Dimensions

Diadema PL 80:
16"1/2W x 5"1/8D x 31"1/2H
