

Diadema

Design: Romani Saccani Architetti Associati

Description

Wall lamp based on a single element, the rod of pure glass. The diffuser offers a sense of movement by using crystal rods of different sizes. Metal parts available in matt bronze or glossy chrome finishes. Made in Italy.

Light source

Diadema AP P G9: G9 2 x 60W.

Diadema AP G E26: E26 2 x 60W.

Both models are dimmable with a "phase cut" system (DIM 1).

Finishes and materials

Metal Parts: Matt Bronze (BS) or Glossy Chrome (CR).

Diffuser: Crystal glass (CR).
