

Hamlet

Design: Controdesign

Description

The Hamlet sectional sofa has a generously proportioned seat designed based on the horizontality of its surfaces, as clearly evidenced by the platform structure housing the seats and armrests which confers an overall look of extreme modernity. The Hamlet has a version with armrest, or, alternatively, a version with armless terminal section and a seat cushion that also embraces the backrest laterally.

11 sofas + 40 modular elements + 1 ottoman. Wooden frame with elastic straps, with pad in expanded polyurethane, fiber covering matched with jersey. Seat feather cushions with insert in expanded polyurethane, with differentiated density, upholstered in cotton and heavy cotton. Backrest feather cushions upholstered in cotton, fitted with a headrest adjustment device. Armrest feather cushion with insert in expanded polyurethane, with differentiated density, upholstered in cotton and heavy cotton and fixed to the structure with self-locking pins. Feet in beech-wood painted black. Elements upholstered in completely removable fabric; elements upholstered in leather with cushions having removable covers and structure with non-removable covers.
