

Lust

Design: Marcel Wanders

Description

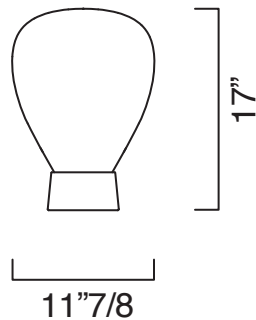

Table lamp with base in finely finished concrete, welcomes the powerful LED lights, above which rises a tapered crystal fruit enclosing myriads of gold flakes, similarly to the effect of optical fiber, they reflect the light from the LEDs which then shines softened by the transparent glass dome, crafted using the traditional Murano method of balotòn-style.

LEDs are included with the lamp.

Dimensions

Ø 11"7/8 x 17"H

Cod: 7276
