## *Description*

A collection of chandeliers with lampshade, of four models, whose distinctive sign is the reduced height (17"3/4 for the smallest model up to a maximum of 31"1/2), particularly suitable to illuminate rooms whose height would not allow the use of a "normal" chandelier.

The lampshade is pleated and completely in fabric, that is without internal lining in PVC. 2-light wall sconce complete the collection.

Available Murano colors: Crystal, Grey, Violet, Bluastro or Aquamarine.
