

# Domo Amsterdam

## *Description*

The absolute elegance of simplicity in shape is created by the multiplication of simple elements. This elegant articulation of the classic brings to mind two lamps: Rotterdam and Amsterdam.

The characteristic element is the rostrum with its typical, pointed elements. This also comes in a sconce version with one or two candelabra.

Available colors: Cristal, Grey, Light Pink, Liquid Citron, Violet or Caramel.

Lampshades: White, Black or Brown.
