

Pandora

Description

Graceful like creatures from a distant planet who are floating among the natives of a fantasy world, Pandora is a family of suspension lamps with 5, 8 and 10 arms and a matching two-light wall lamp. The chromed base, which is decorated with a LED illuminated element, supports the arms rising up into a large lampshade which screens the traditional light bulbs and diffuses the light. The black lampshade is also available with a gilded interior. Available colors: gold or crystal. Lampshades: White, Black or Black/Gold.
