

Secret

Design: AL1

Description

The Secret is a special integration of an LED TV behind a mirror. The result of constant research, it is original and with a strong technological impact. Totally invisible, this is the perfect combination of your living room style and a common television set. The mirror comes in the following color variants: natural bronze, light bronze, London grey, non-reflecting black and natural mirror. Edges in ground metal in the finishes: bright light gold, matt Champagne gold, bright chrome, bright black chrome or matt satined bronze. The frame is covered in range leathers.
