

Ego

Design: Manzoni E Tapinassi

Description

Carved, geometric lines give the Ego sectional great personality and a unique style combined with maximum comfort. Oversized seats, back and armrests are extremely soft for all-around cosiness. Ego is the latest elaboration of the 1980's concept of the sofa. The feet, available in chromed or micaceous brown stained metal, support the wide armrests.

Finishes and materials

Structure: Metal and multilayered wood.

Seat Height: 15"3/4. **Armrest Height:** 21"5/8.

Feet: Chromed metal or micaceous brown stained metal, 6"H.
