Presenta lievi imperfezioni, venature e un diverso grado di lucentezza e tonalità, a garanzia di un prodotto con caratteristiche naturali di pregio. Nell'abbinamento tessuto-pelle, si raccomanda il lavaggio a mano in acqua; il lavaggio a secco e qualsiasi trattamento al cloro danneggiano la pelle. It shows slight imperfections, veining and various degrees of shine and shades. All this is a guarantee of the naturalness of the product. In the combination fabric-leather we recommend hand-washing, dry cleaning and any chlorine treatment will damage leather.
