

Hills

Design: Ludovica & Roberto Palomba

Description

The Hills sleeper sofa has been designed to function akin to a 'locus', a place to be freely inhabited, in response to one's most intimate needs and deepest desires. A place in which to lie down, listen to others, communicate and share. Wooden frame with elastic straps, with pad in expanded polyurethane, upholstered with feather mattress. Backrest feather cushions upholstered in cotton. Seat feather cushions with insert in expanded polyurethane, with differentiated density, upholstered in cotton and heavy cotton. Feet in metal, powder coated, with anti-skid ferrule. Elements upholstered in completely removable fabric; elements upholstered in leather with cushions having removable covers and structure with non-removable covers. Backrest cushions ready for being fitted with a headrest adjustment device. Electrically welded spring and orthopedic expanded mattress.
