

Summerset

Design: Christophe Pillet

Description

The Summerset armchair has a powder-coated steel grid and matching structure. The choice of brightly colored fabrics make these chairs ideal casual bars or family-friendly restaurants. This armchair has several options when it comes to cushions: it can be frame-only, whole-body cushion, seat and back cushions or only seat cushion.

Finishes and materials

Structure: Bronze, White, Silk Grey, Grey, Dark Brown or Black powder coated steel.
