

# Big Table

*Design: Alain Gilles*

## *Description*

Highly original extension table with great personality. Frame and legs: painted steel or available with upcharge in Corten steel. Top: veneered wood or matt/glossy ceramic. The laser-cut legs are different sizes and have different geometric shapes. Together with the various colors available, they underscore the unique features of the base. The independent lacquered, veneered wood side leaves make it possible to extend the top while maintaining superb stability. Made in Italy.
