

# Tree

*Design: Mario Mazzer*

## *Description*

Original coat rack made of batch-dyed polyethylene, it's sleek form reminiscent of a tree.

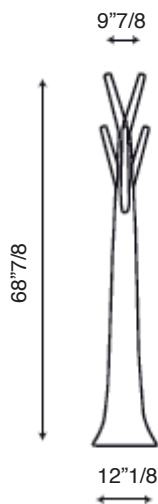

Thanks to the exceptional resistance to the weather, it can even be used outdoors (not Tree Light).

Available also in a new version with light (Tree Light).

This version comes only in white and contains a fluorescent light inside.

## *Dimensions*

12"1/8W x 9"7/8D x 68"7/8H

## *Finishes and materials*

**Frame:** Matt or glossy lacquered polyethylene

**Lighted Version:** Matt white with fluorescent light.
