

Zoe

Design: Lievore Altherr Molina

Description

Highly comfortable lounge chair, versatile lines, and very wide upholstery range. The upholstery can be completely removed. In addition to the basic version with 'visibles' seams or classical stitching, the upholstery of every Zoe chair can be with the new blanket stitching "Punto Cavallo", which is highly decorative, in the same or different colors as upholstery.

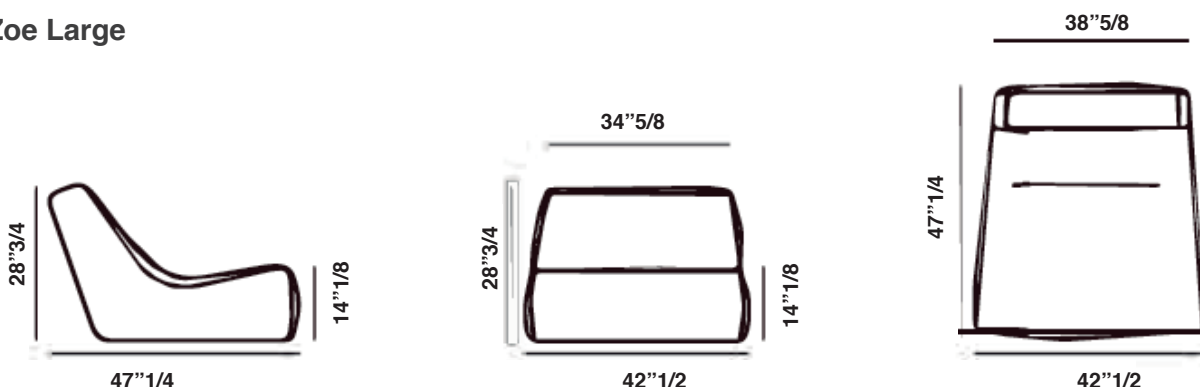

It is built with no supporting frame, is shaped by a 100% Twill cotton cover, and made with 5 separate chambers, containing expanded polystyrene pearls.

Each chamber is made with a zip equipped with a safety pocket. Zoe family is available with different kinds of high quality covers - leather, fabric – in assorted colours

Dimensions

Zoe Large: 42"1/2W x 47"1/4D x 28"3/8H - Seat Height: 14"1/8

Zoe Large
