

Neck

Design: Pierangelo Sciuto

Description

Sideboard with 3/4 thick structure made from particle board panels with a matt lacquered or wood veneered finish. Swing doors, available in matt lacquer, wood, metallic lacquer or timewood, with upper grip recesses for 23"5/8 high sideboard, swing fronts with grip recesses for the upper fronts and push-to-open mechanisms for the lower fronts for 44"1/4 high sideboards. The inside of structure is also available with a contrasting matt lacquered or wood veneered finish. The sideboard is supplied with adjustable, 1/2"H concealed feet so that they can stand by themselves on the floor.

Made in Italy.

Optionals:

- . 3000K neutral led light kit (not available with concealed feet).
- . Wooden internal drawers.
- . Transparent methacrylate base / Metal "shuttle" base / "Stilo"base in metal.
