

## Silhouette

*Design: Luca Scacchetti*

### Description

The seat, back, and armrests are made of multi-ply beech wood, formed in a mould and joined together by an appropriate joint of hinged milling with a double "S".

The inside of the seat is always upholstered in either leather or fabric. The outside, however, has different options, and can be ordered:

- Covered in leather or fabric with a light upholstery,
- Veneered in hardwood like lati or similar to ebony
- Lacquered in a matte finish white, black, or RAL 1019 color.

The seating consists of a firm CFC free polyurethane cushion, completely upholstered in leather or fabric.

### Dimensions:

22"1/4W x 22"7/8D x 34"5/8H

**Seat Height:** 18"7/8
