

Izmir

Description

Sinuous forms, pendants in transparent crystal and arms in twisted crystal: an ideal combination to embellish the brilliance and substance of the glass.

In the gold color, the glass is full of thousand gilded specks that make the chandelier even brighter; the lamp holders and the fixture are also gilded. There are four models available, with 8, 12, 18 and 24 lights, and a 2-light wall sconce.

Available colors: Crystal, Black, Red, Liquid Green, Liquid Yellow, Liquid Orange, Gold or Galvanized.
