

Vivienne

Design: Giuseppe Viganò

Description

Lounge chair with iron backrest frame assembled on a pine seat with elastic webbing, covered with high-density polyurethane foam in different thicknesses. Seat cushion of medium-density polyurethane foam and Dacron. Anatomically-designed backrest cushions of sterilized goose down for greater comfort.

The buttons on the backrest are in metal or covered with the same material as the upholstery. Request for other alternatively, with "Swarovski" crystals.

Given the special processing, the leather upholsteries are not removable.

Swivel base of ground metal with matt satined bronze finish.
