

Rain

Description

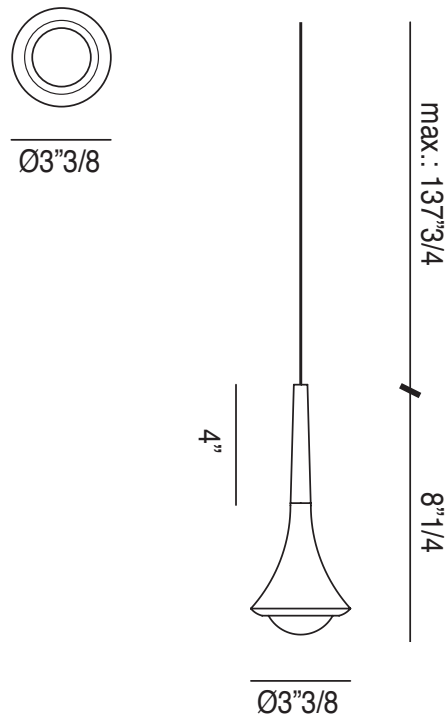

As raindrops in the springtime they can create the largest variety of compositions thanks to their modularity. Color accents make them unique and always different. With a simple and minimalist outline they're spectacular when installed in a cluster. Chrome metal structure with metal diffusor in matt white, matt black, coppery bronze, brushed chrome, gold or rose gold finish. LED with direct power supply to the AC line voltage (driver not required). Dimmable with phase cut dimmer. Made in Italy.

Light Source: LED 3000K • 9W | 850 lm • 120V • CRI 92 • MacAdam 3-Step.

Dimensions

Pendant: Ø3"3/8 x 8"1/4H + 137"3/4H of Tensors

(The pendants must be installed with one of the canopy options listed on the next pages)
