

# Cloé

*Design: Giuseppe Lasparra*

## *Description*

The Cloé chair has a metal frame moulded with high-density foam. Fabric or leather covers (fabric cover is not removable). The swiveling metal base can be finished bright light gold, Champagne matt gold, bright chrome, bright black chrome or matt satined bronze. Backrest with or without quilted vertical ribbing or “Sequence” decoration. It is possible to apply two variants to the two-tone version: with or without the external seat strip.

## *Finishes and materials*
