

Argo

Design: D. Dolcini

Description

Modular Sofa with structure in solid Canaletto walnut and metal feet in Brushed Brass or Black Chromed finish.

The cover in the fabrics of the collection is removable by taking off the seats with the supplied key. Cover in leather non-removable.

The seats lie on a thick flexible plywood panel covered by technical velvet, with holes to increase the air flow.

The seats are upholstered with high-resilient crushproof polyurethane foam with different densities. Upper part in Memory Foam, covered by padding paired with cotton and velveteen fabric.

The structure of arms and backs is made of poplar and birch plywood, upholstered with crushproof polyurethane foam with different densities and covered by white padding paired with cotton and velveteen fabric.

The optional backrest cushions (width 23"5/8 - 31"1/2 - 41"3/8) are filled with canalized goose feather (Golden label certified by Assopiuma) and covered by feather proof cotton fabric.

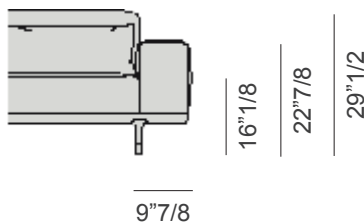

The bases, available in five different sizes (width 60" - 76"3/4 - 86"5/8 - 96"12 - 106"1/4), can be combined to create multiple compositions and accommodate seats, containers (width 10") in Canaletto walnut with two sliding tops, one in wood matching the structure and one in Glass, Smoked finish.
