

38V Stem

Design: Omer Arbel

Description

Floor lamp with structure in black or brass finish, a 13³/₄ diameter base and a 92¹/₂ long flexible cable with a dial control for on/off/dimming. Made with clear glass exterior spheres and milk white interior lamp holder cavities. A large glass sphere is blown with a multitude of haphazard interior cavities, which intersect and collide in unpredictable ways. Designed by Bocci.
