

38V Stem

Design: Omer Arbel

Description

Ceiling or ceiling to floor lamp with structure in black or brass finish and a 92" 1/2 long flexible cable with a dial control for on/off/dimming. Made with clear glass exterior spheres and milk white interior lamp holder cavities. A large glass sphere is blown with a multitude of haphazard interior cavities, which intersect and collide in unpredictable ways. Designed by Bocci.

Finishes and materials

Structure: Black or brass finish.

Pendants: Clear glass exterior spheres and milk white interior lamp holder cavities.
