Description

Foosball table with structure in solid molded Canaletto walnut. Shell perimeter in crystal. The vertical plates are tempered glass; the curved ends have undergone a hot bending process. Every component is polished with cerium oxide. Players in one team are in Canaletto walnut; the other ones, in ash wood. Rod ends featuring two layers of shock absorption. Rods are equipped with special, self-lubricating bearings so that they slide back and forth quietly, smoothly and quickly. Quick mount handles that fit perfectly and can be removed and replaced. Playing field in tempered clear crystal, increasing the game's speed. Goals with polished stainless steel frames and handcrafted black nets. Hidden, adjustable feet for leveling table. Canaletto walnut handles and scoring units. Made in Italy.

Dimensions

55"1/8W x 30" (68"1/2 with rods)D x 36"1/4H
