POOL CLOTHES

Simonis cloth manufacturer, leading company for professional pools.

Simonis cloth is incredibly smooth without felt-like fuzziness and does not wear like nappy woolen cloth which eventually develops tracks or grooves in the cloth, all the while shedding short fibers that constantly need to be removed.

With Simonis, clothes ball spin is consistent, and the roll stays straight and true on every shot.

Composition: 50% wool 50% cotton

Cloth care & maintenance instruction available

Dust and Chalk cleaner available
