

Product: Convivium Roulette Table

COMPONENTS

Round Roulette Table is a outré, absolutely unique piece of design. Its strength lies in its originality: the traditional roulette game layout is here revolutionised, being presented as round and doubled on two sides. The wonderful ebony professional roulette, elegantly covered by a Lazy Susan element that makes the table both a playing surface and a dining table, entirely dominates in the middle. The essence of this table is a call for daring, revolutionising the tradition and reshaping it through the stylistic freedom that only the fanciful world of game can bring out.
