Finishes and materials

Frame: Teak wood.

Cushions: Fabric Cat. A, Cat. B, Cat. C.

Carefully selected, fully grown **Teak**, harvested in accordance with the strictest environmental standards. The reason for its generally commended durability is the high levels of natural oils it contains. The resulting minimal moisture absorption prevents warping which gives it great stability. Moreover, the wood is extremely resistant to the influences of chemicals, as well as against attacks by vermin.
