

Il Pezzo 10

Design: Barbara Bertocci and Cosimo Terzani

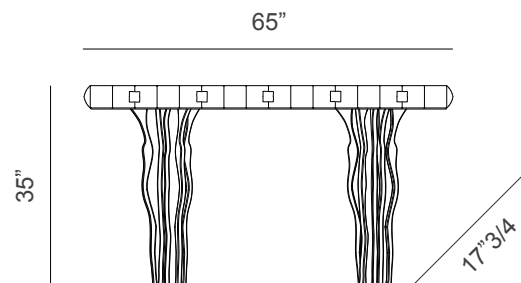

Description

Console with 3 drawers that shows off its embossed wood giving it a medieval taste. Encased in the structure, delicate drapes for the cast brass handles and, to hold all of this up, a multitude of brass casting sparkling legs.

The whole piece is realized with solid walnut, the treatment on the wood is done with natural oil that protects the wood but at the same time allows it breathe. Furthermore the final coat on the top is done with Nanotechnology, an organic silica-based natural treatment which makes the wood water repellent. A small brass cylinder, containing serial number, seals the authenticity and uniqueness. Available in custom sizes and finishes. Made in Italy.
