

Il Pezzo 3

Design: Barbara Bertocci and Cosimo Terzani

Description

Modular chandelier composed by a lamp which can be repeated to create endless lengths. Inspired by Arabic calligraphic art and the icon of the classical candelabrum, it comes with a hand-forged brass structure and 4 or 7 “candles” crafted from the clearest solid crystal, which are illuminated using the latest LED technology.

Each lamp is numbered and hides its own identity stamp that seals and guarantees the authenticity and uniqueness. Available in custom sizes and finishes. Made in Italy.
