Design: gerardiarchitetti

Description

The structure of this oval table includes stained, natural wood legs while the reverse side of the top is in 1"1/8 thick wood veneered particle board. The legs and tie-rods are made of turned lacquered metal. The top consists of 3/4" thick marble or 1/2" thick glass in the version where the reverse side of the top is wood veneered. In the wood version the top features a single, 1"5/8 thick wood veneered particle board panel.

Made in Italy.

Finishes and materials

Top: Dark oak / Canaletto walnut / Gloss glass / Polished marble / Satin marble.

Legs and reverse side of top: Dark oak / Canaletto walnut.
