

# Serenissimo

*Design: Lella & Massimo Vignelli e David Laz*

## *Description*

System of tables with glass tops supported by impressive columns in Encausto finish (also known as "Venetian stucco"), a highly sophisticated technique in which a fine sand plaster is applied in successive layers, the last of which is coloured with natural earth. Frame made of grey painted micaceous metal. Made in Italy.

## *Finishes and materials*

**Top:** 5/8" thick transparent glass, extra clear opalescent glass, cast glass in the colours black, mustard yellow, English green, pink and lacquered frosted white glass.  
Or 3/4" thick matt marble in Carrara statuario, gold Calacatta, Marquinia black, Levanto red and Alpi green.

**Columns:** 4 cylindrical bases (Ø 28 cm) made with a steel tube, painted in either a gun-metal grey or orbital bronze finish, or, in Encausto's more tactile variations, in the colours terracotta, green, and white.
