Barovier&Toso®

Description

A collection of chandeliers with lampshade, of four models, whose distinctive sign is the reduced height (17"3/4 for the smallest model up to a maximum of 31"1/2), particularly suitable to illuminate rooms whose height would not allow the use of a "normal" chandelier. The lampshade is pleated and completely in fabric, that is without internal lining in PVC.

Available in ten Murano colors.
