

Perseus

Design: Marcel Wanders

Description

Suspension Lamp

Daring enhancement of the Murano tradition, Perseus is composed of a large number of glass elements that represent a compendium of the glass-making techniques studied and developed in the course of its long history, here reinterpreted, paired, and mixed in a subversive way with respect to the canons of classicism.

This chandelier looks like a dazzling explosion of glass, carefully balanced in volume, in the alternation of different colors (in three color combinations), in the asymmetrical game of the arms.

The frame is chromed and the lighting is LED, which is supplied with the suspension.

UL listed. Made in Italy.

Dimensions

42"1/8W x 44"7/8 x 70"7/8H - Cod.7265

Light source: 15 G4 x 5W - Not dimmable - Included
