

Mamba

Design: Piero De Longhi

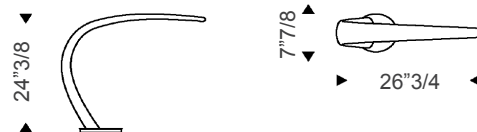

Description

Table lamp with rigid polyurethane structure and steel base. LED light. This lamp is a refined and unique decorative accessory with a captivating design.

The structure of this arc table lamp with variable thickness combined with the rounded edges create a soft and sinuous shape, like a natural element. Made in Italy.

Dimensions

26"3/4W x 7"7/8D x 24"3/8H

Light source: 8W LED lighting, 600lm 4000K with switch.
