

## Miura

*Design: Cristian Malisan, Enrico Franzolini*

### *Description*

Characterized by sinuous and soft lines, the Miura family stands out for the deep tailoring care highlighted by the visible stitching of the upholstery that follows the silhouette of the seat.

The Miura armchair is available in a mono-material version for warm domestic interiors or sophisticated lounge areas and restaurants, proposed in fabric or leathers as per collection, with seat, backrest and legs fully upholstered and padded in fire retardant polyurethane foam with or without metal feet. Made in Italy.
