

Bohème & Paride Bed

Design: M. Marconato & T. Zappa - O. Moon

Description

Created by Marconato & Zappa, the Bohème upholstered headboard blends solid craftsmanship with a clean, contemporary look. Its structure includes a frame and optional side modules in solid canaletto walnut, except for the Morfeo king-size version where they are mandatory. The balanced geometry, warm wood grain and refined proportions give the Bohème an elegant presence in any modern bedroom.

The padded panel features horizontal stitching that contrasts with the vertical grooves carved into the solid-wood modules, highlighting the brand's precision. It can be upholstered in all fabrics and leathers of the collection or in customer fabric. Cable-management cuts can be added on request, and optional LED backlighting is available.

The Bohème headboard pairs with the Paride bed frame, whose curved, sculptural silhouette adds versatility to contemporary interiors. It comes upholstered in all fabrics and colors of the collection and includes a slatted base, with an optional multilayer panel if needed. Made in Italy.

Leather versions feature decorative stitching.

Slats included. Mattress, cushions and decorative elements not included.
