

Lampo

Design: Paolo Cattelan

Description

Floor lamp in embossed lacquered steel frame. A fine steel wire, fixed to a minimal round base, illuminates the room evenly via LED light bulbs.

This lamp was developed with the intention of creating a contemporary and minimal adaptation of the great icons of 20th-century design. Made in Italy.

Light source:

Lighting 110/220V, with switch button.
1 LED 14W 1750lm 3000K.

Dimensions

106"1/4W x 20"1/2D x 90"1/2H
