

Plana

Design: Claudio Lovadina

Description

Bed with structure made of particleboard available in Matt Lacquer or Metal Standard finish. It is supplied with an integrated self-supporting slatted base with beech slats. 6 of these slats have rigidity regulators and 4 feature different degrees of firmness for differentiated shoulder support. Self-supporting slatted base included. Feet in Matt Lacquer or Metal Standard finish.

Also, the version with methacrylate base is offered with an optional LED light: 3000°K LED light kit with switch.

In the Plana bed the frame and the headboard meet each other; the straight and clean lines of this bed make it unique. Made in Italy.
