

## Veale

*Design: Andrea Lucatello*

### *Description*

A modern sideboard with customizable fronts in wood.

Curved lines shape the design of the furniture, giving form to the fronts, with the central one defining a capacious storage compartment that conceals a drawer with a cutlery holder inside, fitted with a magnet on the underside for fixing on drawer bottom.

The possibility of integrating an under-top lighting system, meanwhile, offers a touch of elegance and practicality. Made in Italy.
